GREETINGS!

So you are coming to college! This is a splendid thing to do. Many young people are longing to take advantage of this opportunity to fit themselves for life and are not able to do so.

The world today needs well prepared people. This is especially true of women. F. M. C. has been notably successful in preparing women for good and effective citizenship. She is offering this opportunity to you. Be certain to take advantage of it.

We are a happy and helpful "bunch" and are glad you are to be with us. I know we shall enjoy each other and that you will be one of the happy and helpful ones.

Be certain to look me up. I may be able to help you.

Yours for a great year,
DR. C. G. VARDELL,
President Emeritus.

We warmly welcome you to Flora Macdonald. A new world of friends and opportunities await you in college. There will be much for you to receive and much to contribute to others. What you gain from college life will depend largely upon what you put into it. Friendship, thoughtfulness, kindness, and earnest work will bring to you a rich return.

We of the faculty stand ready to help you in every way that we can.

Sincerely yours,
DR. HENRY G. BEDINGER,
President.

It is a real pleasure to welcome all new girls to Flora Macdonald. You are about to become a part of our college, and I am sure that Flora Macdonald will mean a great deal to you—for I hope and believe that you will mean a great deal to her. I sincerely wish for each one of you happy and profitable college days.

HONOR CODE

The students and faculty members of Flora Macdonald College believe that if young people are to grow up as responsible citizens in a democratic society, they must be given every opportunity to think critically and act on their thinking, to meet situations involving alternatives, to make wise choices, and to participate actively and intelligently in both group and individual activities under the skillful guidance of understanding student and faculty leaders.

The only true greatness is the greatness of a noble soul. This goal is reached by the development of those right ideals and right purposes within each individual that will cause her to think and act nobly, to work effectively, and to desire to serve the welfare of all as well as her own advancement. As a means toward the accomplishment of this goal, an honor code has been established on the campus.

In the long run, however, the mastery of the technique of living and working together can be accomplished only to the extent that each student develops from within a sane balance toward, a wise control of, and a strict adherence to these highest standards of honor in their relationship to her all-round development and the enrichment of the group. This then defines the personal obligation and responsibility of each Flora Macdonald College student.

I AM A FLORA MACDONALD GIRL

Remembering that "The King's daughter is all beautiful within"—

I shall strive to be beautiful in personal charm—to be courteous at all times; to be gracious in manner and gentle in demeanor; to show proper deference to those who merit it and to express a generous and unselfish spirit toward all people and toward all obligations and responsibilities.

I shall strive to be beautiful in chaste speech; to be pure in word, thought, and deed.

I shall strive to be beautiful in kindly ministrations; to be loving and thoughtful, helpful and sympathetic, in all my associations.

I shall strive to possess a joyous, singing heart that will help provide the cheer, the courage, the stamina, and the inspiration needed today.

I shall strive to manifest the highest integrity in the dispatch of all my academic work—to follow honestly and sincerely those principles of the honor system applicable to the different phases of class activity, and to accept the interpretation of these principles as set forth by those in authority.

I shall strive to uphold honestly and wholeheartedly the rules and regulations that have been decided upon by the college officials and by the student body.

I shall strive to act well my part—to do not only the big things of my daily occupations thoroughly and efficiently, but to be equally faithful in attention to the less important matters, however lowly they may seem.

I shall strive to cultivate the beauty of a noble soul—to take pride in the ideals of of Christian service and to incorporate them in my daily living.

All these things I will earnestly seek to do in accordance with the principles of the honor system and in consonance with the College Motto—

“Disciplina Feminarum Christo”

**THE FLORA MACDONALD

Soon you will become a part of us, and the ideals, the spirit, and the traditions which have been ours, will also be yours. We hope that these elements of our college life will come to mean as much to you as they have meant to us.

We are looking forward to meeting and knowing each of you and, again, welcome!

The students may attend the first show only and must return immediately unless to stop by the drug store.
- b. May have one extra week-end a year.

NOTE: Seniors and Juniors who have an unsatisfactory grade for the previous quarter, or who have not passed all the work of the previous semester, are not allowed the privileges of dates and movies on school nights.

3. Academic Regulations

SECTION 1.

- a. When a student matriculates and has arranged her schedule, no change may be made without first securing permission from the academic dean.
- b. In order to return to college for a second year, the student must have passed a total of fifteen semester hours during her first year. Summer school credits may be counted in this total.

In order to return to college for a third or fourth year, the student must have passed a total of twenty semester hours during the previous year. Summer school credits may not be counted in this total.

In meeting these requirements, all totals must represent the number of semester hours actually passed with a grade of "D" or above. No grade of "E" ("Conditional failure") may be counted.

- c. The classification of a student depends upon the amount of college work and the number of quality points she has to her credit, and not upon the length of time she has been in college. A student is classified:
 - (1) As a Freshman, upon the presentation of a certificate showing the completion of a four-year course of not less than fifteen units in an officially accredited high school, or upon standing entrance examina-

tion on an equivalent amount of preparatory work. Second year regular students who have not been admitted to Sophomore standing are also classified as Freshmen.

- (2) As a Sophomore, upon the completion of twenty semester hours, with grades sufficient to entitle her to twenty quality points, provided that seventeen hours be taken each semester of the current session. No student will be admitted to the Sophomore class who has not removed all entrance conditions.
 - (3) As a Junior, upon the completion of fifty-two semester hours, with grades sufficient to entitle her to forty-five quality points, provided that seventeen hours be taken each semester of the current session.
 - (4) As a Senior, upon the completion of eighty-six semester hours, with grades sufficient to entitle her to seventy quality points, provided that seventeen hours be taken each semester of the current session.
- d. A student having a failing grade in any subject required for graduation is ineligible for a major office.

SEC. 2. Class Cuts per Semester.

- a. Seniors, Junior and Sophomores who have a grade of B or above on the preceding semester's work in each course may be allowed three cuts per semester in each course.

- b. Seniors, Juniors and Sophomores who have a grade of C or above on the preceding semester's work in each course may be allowed two cuts per semester in each course.
- c. Seniors, Juniors and Sophomores who have a grade of D on one course and a grade of C or above on all other courses may be allowed one cut per semester in each course.
- d. Freshmen may have no cuts during the first semester except under the following circumstance:

If travel conditions make it necessary for a Freshman to leave college before her last class on Saturday in order that she may spend the week-end at home, a special travel cut may be granted once a quarter upon a written request from the parents or guardian and upon the approval of the Absence Committee. At the beginning of the second quarter such travel cuts shall be denied those who have received unsatisfactory grades.

Freshmen may be allowed the same cut privileges during the second semester as those extended to the students in other classes.

- e. During the first semester of residence, transfers may be allowed to have their cut privileges based on their previous semester's college record.
- f. Students with an Unsatisfactory in any subject at mid-term shall lose the

privilege of all cuts for the remainder of the semester.

- g. Cuts taken the last meeting of each class in each course before a holiday and the first meeting of each class in each course after a holiday shall count as double cuts.
- h. Three unexcused tardies shall count as one cut.
- i. A list of students having cut privileges will be given each teacher as early as possible at the beginning of each semester.

SEC. 3. Unexcused Absences.

- a. For each class cut taken in excess of the maximum allowed for the semester the student shall lose 5 points' credit on the semester grade for the course.

SEC. 4. Excused Absences.

- a. Excused absences may be granted by the Absence Committee when a valid reason is presented in the case of (1) a student who has used her maximum number of cuts and (2) a student who does not have cut privileges.
- b. Excused absences for illness may be granted to a student by the College Nurse, or by the Absence Committee upon the presentation of a written statement from her parent or guardian in the case of a day student.
- c. A student returning late after a holiday because of illness must bring a physician's certificate or a written

statement from her parent or guardian to be filed with the Absence Committee.

- c. Students representing college organizations may have necessary absences excused by the Absence Committee.
- d. A student granted an excused absence for all reasons except illness or death in the family, or when a student represents a college organization, must make up the classes missed under the supervision of the respective teachers. A fee of one dollar will be required for each class made up. A laboratory period will count as one class.
- e. The receipt for one dollar paid must be presented to the teacher within one week after the return of the student to class. If this procedure is not followed, the absence automatically becomes an unexcused absence.

THE ATHLETIC ASSOCIATION

The purpose of the Athletic Association is to uphold and carry out the highest ideals of good sportsmanship, to foster a spirit of genuine service to the school and to offer to all the opportunity for the participation in all athletics. Hockey, soccer, basketball, baseball, archery, and tennis are played with great enthusiasm in their seasons. The Athletic Board consists of the regular officers of the Association, heads of sports, and the managers of the various teams in their respective seasons. The Board, in coöperation with the physical director, is in charge of all sports and athletic activities.

In hockey, basketball and tennis, the major sports, an honorary varsity is selected by the Board. They are selected for the ability to play, scholarship sportsmanship, and conscientious keeping of the honor system. Each girl elected to varsity is awarded an Old English "M" in blue. Juniors and Seniors are awarded the "F. M. C." monogram on winning five hundred points in athletics and other College activities. Begin now while you are a Freshman to win points on your "F. M. C." monogram.

LITERARY SOCIETIES

We have two literary societies in the College—Epsilon Chi, and Zetesian. They meet every two weeks, on Saturday nights, in their respective halls. It is the aim of the societies to improve the intellectual and social faculties of their members, to produce good literary work and development in music and dramatics.

Every girl who comes to F. M. C. is invited to become a member of either of these societies. The work is carried on entirely by the students, and is a great help as well as pleasure to them.

PUBLICATIONS

The White Heather

The White Heather is the College Annual published once a year by a staff of editors and business managers. It pictures the important events of the year in addition to individual pictures of each student and faculty member. Every girl should purchase an Annual so that in the years to come, when College life is just a treasured memory, the *White Heather* will be the tangible form of those so intangible College days.

Pine and Thistle

All college girls are proud of their school publications and the magazine is the real feature that displays the literary ability, originality, and humor of each student. The staff is elected by the literary societies, therefore it is your magazine, and you may support it by your literary contributions.

GLEE CLUB

F. M. C. has a Glee Club of selected voices. In the fall the Music Staff conducts a try-out open to every girl.

THE COLLEGE

Motto—"Disciplina Feminarum Christo."
Colors—Dark Blue and White.

COLLEGE CUSTOMS

Quiet is always desired in the library.

Bow head in a few minutes of silent prayer before the morning chapel service begins.

Always stand when the College Song, your Alma Mater song, is being played or sung.

GYM CLOTHES ARE NOT WORN IN THE LIBRARY, ON THE FRONT CAMPUS, IN THE BURSAR'S OFFICE, OR ANY PUBLIC ROOM.

According to the College traditions, Seniors and Sophomores are sister classes, while Juniors are "big sisters" to the Freshmen. The outgoing Senior Class always wills its colors to the incoming Freshman class. These colors are presented to the Freshmen at the opening of the year.

Senior Class, '45	Red and White
Junior Class, '46	Blue and Gray
Sophomore Class, '47	Purple and White
Freshman Class, '48	Blue and Gold

HINTS

Keep That Handbook Handy.

For consideration of others, rules are necessary.

Read the College Catalogue carefully, bring it to the College with you, and keep it for reference.

Look out for the girls with blue and white ribbons on their arms, who will meet you at the bus station or at the college.

Be sure to have your name on both your trunk and suit case.

If possible, bring towel, napkins, sheets, and pillow case in your suitcase, as your trunk may not arrive when you do.

THE FIRST THING TO DO ON ARRIVING AT THE COLLEGE IS TO GO TO THE DEAN TO REGISTER YOUR ARRIVAL AND GET THE NUMBER OF YOUR ROOM.

Your closet will require a curtain of burlap or cretonne the width of a door and two and one-quarter yards long.

Sash curtains for the windows should be one yard long and full-length curtains two and one-fourth yards long. There is one pillow for each bed, which is 19 x 27 inches.

Bring bureau scarfs, table covers, curtains, pictures, and a rug or so, as they will make your room much more pleasant and the College does not furnish them.

All laundry is done by the College laundry on the campus. A student may put as many pieces as is necessary in the laundry, but she must keep them down to a reasonable number.

Each girl is assigned a laundry number a few days after her arrival. Do not write for laundry numbers during the summer, as it is impossible to supply them.

There are available electric irons (for pressing) on Vardell second and East third.

Take any seat in the dining hall during the first few days.

Your mail will reach you if sent in care of F. M. C., Red Springs, N. C.

Try to keep radios away from the windows. They must be for both a.c. and d.c. current.

FLORA MACDONALD SONGS

F. M. C. A. HYMNS

Seal Us, O Holy Spirit

Seal us, O Holy Spirit, grant us Thine
impress, we pray;

We would be more like the Savior,
Stamped with His image today.

Chorus—Seal us, seal us, seal us just now,
we pray;

Seal us, O Holy Spirit, seal us for service
today.

Seal us, O Holy Spirit, help us Thy likeness
to show;

Then from our lives unto others
Streams of rich blessing shall flow.

Seal us, O Holy Spirit, make us Thine own
from this hour.

May we be useful, dear Master,
Seal us with witnessing power.

Living for Jesus

Living for Jesus a life that is true,
Striving to please Him in all that I do.
Yielding allegiance, glad-hearted and free,
This is the pathway of service for me.

Chorus—O Jesus, Lord and Savior, I give
myself to Thee;

For Thou, in Thy atonement, didst give
Thyself for me;

I own no other master, my heart shall be
Thy throne.

My life I give, henceforth to live, O Christ,
for Thee alone.

Living for Jesus who died in my place,
Bearing on Calv'ry my sin and disgrace,
Such love constrains me to answer His call,
Follow His leading and give Him my all.

Living for Jesus wherever I am,
Doing each duty in His Holy Name,
Willing to suffer affliction or loss,
Deeming each trial a part of my cross.

Living for Jesus thro' earth's little while,
My dearest treasure, the light of His smile.
Seeking the lost ones He died to redeem
Bring the weary to find rest in Him.

College Song

Far away from noisy tumult
And the city's throng
Stands our cherished Alma Mater,
Worthy of our song.

Chorus—Now we lift our joyous chorus,
Full of love to Thee,
Hail to thee, O Alma Mater!
Hail, O, F. M. C.

On her wide and spacious campus
Springs of crystal rise,
Which for joy and health and beauty
She shall ever prize.

Stately vines wavering o'er her,
Proud her guards to be,
Whisper faith and hope and courage,
Faithful listens she.

College Friendship Song

Our college friendship is the finest
Worth any price that you can pay,
May bonds of friendship ne'er be broken
As through this world we win our way.
But yet! Whatever be life's fortune
In God our trust shall ever be.
These good old days won't be forgotten
And the girls of F. M. C.

College Pep Song

Flora Macdonald, Hail! Flora Macdonald,
Hail!
The College best of all the rest, her praises
never fail.
Oh -----
Flora Macdonald Hail! Flora Macdonald
Hail, etc.

Zetesian Society Song

Friendship our motto,
And knowledge our quest,
With grateful hearts we
Offer unto you our best,
Always with fond memories,
Loyal we'll be
To green and white, our emblem;
Zetesian, to Thee.

Epsilon Chi Society Song

In fellowship and eager quest
For those things fine and true
That give life its joy and light
Epsilon Chi, we sing to you.

You open wide for those who seek
The world's rich treasure store
The precious spoil that ages past
At willing feet will pour.

Our loyalty to white and gold
Together binds us fast
As long as memory's golden chain,
Epsilon Chi, our love shall last.

And when we're far from F. M. C.
And back our thoughts shall turn,
A flame of gratitude to you
In loyal hearts will burn!

We are truly glad that you will be coming to F. M. C. Those of us who have been here before are anticipating our return and your arrival as much as you are. We will meet you when you come, and we have more to tell you than about the Christian Association. In the activities of our Association, which are outlined here, there is a place for you and for all of us as we work, serve, play together, always "Looking unto Jesus." This is our theme; may we live by it.

See you next fall!

Cordially yours,

MARY CATHERINE MCCORMICK,
President of Christian Association.

THE FLORA MACDONALD CHRISTIAN ASSOCIATION

Motto

“Let no man despise thy youth; but be thou an example to them that believe, in word, in manner of life, in love, in faith, in purity.”—I Timothy 4:12.

The Purpose

The purpose of the Association is to lead students to faith in God, the Father, through Jesus Christ, His Son, and our Saviour, to lead them into membership to promote their growth in Christian faith and character, especially through the study of His Word. It shall further seek to influence them to devote themselves in united effort with all Christians to making the will of Christ effective in human society.

The Cabinet

The Cabinet is composed of the officers together with the Chairmen of the Highways, the President of the Student Body ex-officio and the Faculty Adviser. The policy of the Cabinet is to exert its influence among the students in the interest of a higher standard of friendship, a broader democratic spirit and a closer fellowship with Christ, praying together, “Have Thine own way, Lord.”

The Highways

The Student Body is divided into seven Highways. The work of these Highways is based on the work of the Southern Presbyterian Church and has been adapted to

meet the need of our college group. These Highways meet on the third Sunday evening of each month.

Highway of Life Enrichment

3. To provide Worship programs for the Sunday School, and have them printed.

4. To provide F. M. C. A. programs during March.

5. At the beginning of the year the Sunday School chairman with her adviser selects the Sunday School teachers and arranges for Sunday School classes.

The work of the Publicity group is:

1. To provide posters for ~~all~~ F. M. C. A. meetings.

2. To report to the publicity secretary of the college the special activities of the Association.

3. To make the blackboard attractive by the use of mottoes or make posters bearing mottoes.

4. To assist and to coöperate with the chairman of the Sunday School group in providing and in presenting programs for Sunday School and F. M. C. A. programs during March.

Highway of Stewardship

1. To encourage contributions to the Thanksgiving baskets and the Christmas stockings.
2. To provide F. M. C. A. programs during April.

Highway of Leisure Time

This Highway also has two groups. The proper use of leisure time is encouraged by the group concerned with the social side of our college life; the other group maintains the F. M. C. A. library.

The duties of the Social group are:

1. To develop a spirit of friendliness and comradeship among the girls.
2. To develop a sense of individual responsibility in raising the social standards of our school.

4. To provide F. M. C. A. programs during November.

Quiet Hour

"Acquaint now thyself with Him and be at peace."—Job 22:21.

Fellowship with God results in peace, and because the need of this fellowship has been recognized at Flora Macdonald, there has been provided in your schedule each morning a period of fifteen minutes called the Quiet Hour, to be devoted in making your inner life deeper, richer, and fuller. The longer you stay in college the more interests you will have and the more complex your life will become; you will find that this short period of meditation and prayer at the beginning of the day will give you strength to accomplish your day's tasks, a calm serenity in time of trouble, and a "peace which passeth all understanding."

Prayer Bands

"If ye abide in me, and my words abide in you, ask what ye will, and it shall be done unto you."—John 15:7.

Because we believe in the power of prayer, and in the strength of united prayer, Prayer Bands have been organized. On Wednesday mornings, you will find little groups of girls who have come together in students' rooms to pray. We feel that these meetings have deepened the spiritual life of our school and have drawn us closer together. And because the girls show interest in these groups by taking part, we feel

that this plan has proved helpful in developing new leaders and in giving us Christian poise.

Vespers

At the close of the day we come together again for Vespers. It is a short period of prayer, hymns, and quiet meditation. On Thursday and Sunday evenings one of the Highways presents a program led by students. We are renewed in body and in mind as we pause before our study begins to unite again in worshipping our Creator. We hope that Dr. Vardell will lead us in some of these services. It is a privilege to hear one who has wholly consecrated his life to God and lived so successfully.

Why Join the F. M. C. A.?

Because—

“Acknowledging Jesus Christ, the only Son of God, as Lord and Saviour of your life, you want to coöperate with others who too have yielded their lives to Him.”

The F. M. C. A. brings you into a closer fellowship with the other students, and will present to you the deeper, truer meaning of Christianity. It will afford you good training for a beautiful life of service for your Master.

It stands for the all-round girl, developed physically, intellectually, socially, and spiritually.

Striving to realize the best in college life, it develops you into a good citizen of the college.

It cannot be a success without the co-operation of all Christian girls. It wants and needs you, and you need it.
